**PROJECT: STREET LIGHT MAINTENANCE PROJECT - 2008**

**SCOPE OF WORK:** The work consists of providing all labor, equipment, and Maintenance of Traffic (MOT) to accomplish both routine maintenance and repairs of the road lighting system(s) within the City of Bonita Springs, which will contain approximately 487 Luminaires and associated load centers. Routine maintenance replacement parts will be provided by the City. The Contractor may be required at no charge to the City to "warehouse" some City provided parts, for convenience.

The 487 Luminaire installations consist of:  
487 Hapco poles/LUMEC Decorative Bell Fixtures per Exhibits 1 & 2

The work will consist of three tasks:

1. Normal maintenance/replacement
2. Repairs
3. Knock down replacement

**QUALIFICATION OF BIDDERS:** Bids will be considered only from firms or individuals that have been in business a minimum of five (5) years and completed similar projects. Bidders shall be properly qualified and, as applicable, hold contractor's licenses, certifications and registrations as required by State Statutes and City and County ordinances at the time of submission of the bid, including a Lee County business license (f/k/a occupational license), and shall submit pertinent documentation to evidence valid licenses, certifications, and registrations prior to contract award.

The CITY will NOT require a Public Construction Bond on this project. A Bid Security (bond or cashier's check) shall be required.
